MILANO LAMINATE FLOORING

Discover the Milano Laminate Flooring Collection – where timeless style meets modern durability.

Inspired by the elegance of Italian interiors, the Milano range features three premium laminate sub-collections: Chic, Silver, and Exclusive – each offering a unique combination of surface textures, wear resistance, and colors to suit every project.

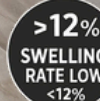

Crafted with high-density cores and finished with embossed, matte surfaces, Milano floors are built for everyday life – offering a realistic wood look with the scratch and wear resistance you expect from a quality AC3-AC4 rated product.

Whether you're renovating a home, fitting a commercial space, or upgrading a retail showroom, Milano laminate flooring delivers superior value, easy installation, and long-lasting performance.

Available in a range of natural tones and oak-inspired finishes, the Milano collection is a smart, stylish flooring solution for modern South African interiors.

INTERLOCKING RUBBER MATS

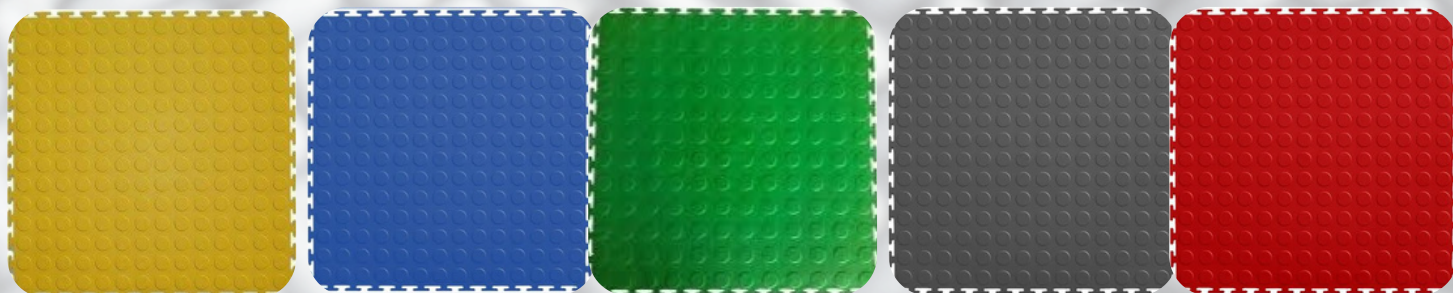

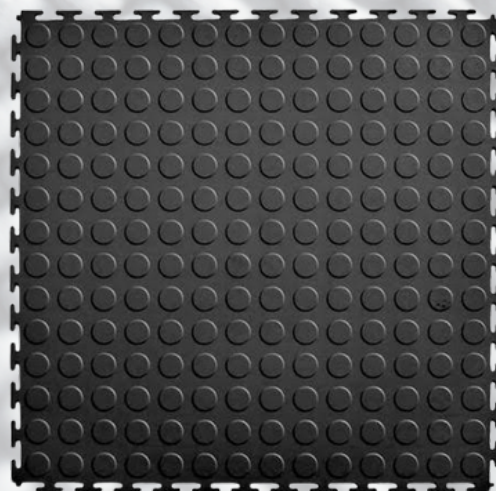

Upgrade your floors with our Interlocking Rubber Mats, designed for both home and industrial environments. These tough, slip-resistant mats feature a modular puzzle-lock system for quick, glue-free installation – ideal for gyms, garages, factories, and workstations.

The domestic range comes in classic black (500mm x 500mm x 5mm), perfect for home workouts, under equipment, or garage floors. Matching edging (sold per linear meter) creates a smooth, safe finish.

The industrial range offers reinforced 5.7mm mats in black or vibrant safety colors like red, yellow, grey, green, and blue (495mm x 495mm), suitable for high-traffic areas, machinery zones, and commercial spaces.

Shock-absorbing, durable, and easy to clean, these mats provide safety, comfort, and professional aesthetics for any space.

Heavy-duty interlocking rubber mats for domestic and industrial use. Easy to install, non-slip, shock-absorbing, and available in multiple colors and thicknesses.
